The Colorado Youth Education Connection is a 501(c)(3) not-for-profit organization dedicated for the charitable purpose of providing science, technology, math and liberal arts academic enrichment to youth in order to prepare them for the future.

Science and math tutoring, educational activities and field trips

COYEC activities in 2008 included

- Science and math tutoring, educational activities and field trips
- Calculus Bowl 2008, a math competition for high school students
- Support to classroom teachers

Donations

Your donations to Colorado Youth Education Connection help children in the Denver Metro area. Support from people who care like you has made it possible for COYEC to provide Colorado youth with important educational enrichment experiences.

Many families with school age youth face struggles in attempting to meet the educational needs of their children. Public schools are only able to do so much

towards meeting these needs. COYEC has helped many children and their families go beyond what is available in school, to help children excel academically.
