Donations
Your donations to Colorado Youth Education Connection help children in

the Denver Metro area. Support from people who care like you has make it possible for

COYEC to provide Colorado youth with important educational enrichment experiences.

Many families with school age youth face struggles in attempting to meet the educational needs of their children. Public schools are only able to do so much towards meeting these needs. COYEC has helped many children and their families go beyond what is available in school, to help children excel academically.
