

2015 Annual Report

Approved: January 31, 2016

Signatures on file

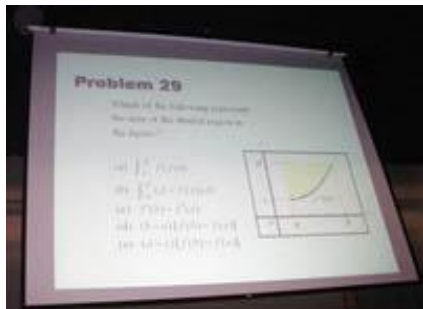

President

Secretary

The Colorado Youth Education Connection is a 501(c)(3) not-for-profit organization dedicated for the charitable purpose of providing science, technology, math and liberal arts academic enrichment to youth in order to prepare them for the future.

COYEC activities in 2015 included

- Science and math tutoring, educational activities and field trips
- Calculus Bowl 2015, a math competition for high school students. See <http://coyec.org/calcbowl> for details.
- Science Expo 2015- a special event providing stimulating science activities in geology, electricity and magnetism for hundreds of elementary school students.

- Support for the math tutoring program at Gateway High School
- Direct support to classroom teachers

In 2009, COYEC started offering a program of classroom math and science activities to teachers and schools, free of charge, and we continued this program into 2015. See <http://coyec.org/classes> for details.

Donations Your donations to Colorado Youth Education Connection help children in the Denver Metro area. Support from people who care like you has made it possible for COYEC to provide Colorado youth with important educational enrichment experiences.

Many families with school age youth face struggles in attempting to meet the educational needs of their children. Public schools are only able to do so much towards meeting these needs. COYEC has helped many

children and their families go beyond what is available in school, to help children excel academically.

Financial Report – FY 2015

In-Kind Support

COYEC gratefully acknowledges substantial in-kind support from many individuals and organizations, including Northrop Grumman

Corporation and Aurora Public Schools. We especially thank the many employees of Northrop Grumman Corporation and volunteers from University of

olorado, Denver, Raytheon, and other organizations for their many hours of volunteer work in support the Calculus Bowl each year including Calc Bowl 2015.

About This Report

This report describes COYEC operations for the time period January 1 to December 31, 2015.
